1 Dec 2006	Medical note	When she came off exhibit, she was stiff legged. Hydrotherapy to LR leg in am, applied Bengay and did leg lifts. Applied Bengay in pm also.
1 Dec 2006	Foot management	Soaked her left front foot in warm water for 15 minutes and applied wonderdust BID.  This AM on her way out to the holding yard she was walking normally and when she came back in she was stiff legged.  We did hydrotherapy on her back left leg this AM and applied bengay (she bent her knee during leg lifts). In the PM we rinsed off her leg and reapplied bengay in the AM.
2 Dec 2006	Foot management	Soaked her left front foot in warm water for 15 minutes and applied wonderdust BID. did hydrotherapy for 15 minutes and applied bengay on left leg. Did leg lifts with left rear leg using target 6 times for 20 seconds each. Afterwards she was walking stiff legged again but by afternoon she was walking normally again.
3 Dec 2006	Medical note	Walking fine in am, a bit stiff in pm
3 Dec 2006	Foot management	Soaked her left front foot in warm water for 15 minutes and applied wonderdust BID.  Trimmed nail of front left foot. did foot work on back left foot. Did 6 leg lifts, holding for 15-20 secs. Was walking fine in the AM, after leg lifts she was walking stiff on back left leg going out on exhibit. She was still stiff for coming in for PM.
4 Dec 2006	Foot management	Trimmed RL foot, nails filed
4 Dec 2006	Foot management	Soaked her left front foot in warm water for 15 minutes and applied wonderdust BID.  Keeper trimmed nail on front left foot. Did hydrotherapy on back left leg/knee for 15 minutes. Had back left foot on foot pedestal for footwork so didn't do leg lifts too.  Foot work done on back left foot, nails filed.
5 Dec 2006	Medical note	8cc blood taken for banking
5 Dec 2006	Foot management	Soaked her left front foot in warm water for 15 minutes and applied wonderdust BID.  Vet discontinued physical therapy and bengay tx until further notice.
5 Dec 2006	Medical treatment	8 cc's blood taken
6 Dec 2006	Foot management	This comment was added to the following specimens: 000028, 000029, 205003. Soaked her left front foot in warm water for 15 minutes and applied wonderdust BID.  Walked Lisa for about 10 minutes in the afternoon up by gate.
7 Dec 2006	Foot management	Soaked her left front foot in warm water for 15 minutes and applied wonderdust BID.

		Keeper trimmed her nail.
8 Dec 2006	Foot management	Soaked her left front foot in warm water for 15 minutes and applied wonderdust BID.
9 Dec 2006	Foot management	Trimmed nail of LF foot
9 Dec 2006	Foot management	Soaked her left front foot in warm water for 15 minutes and applied wonderdust BID.
		Keeper trimmed nail of front left foot.
10 Dec 2006	Foot management	Soaked her left front foot in warm water for 15 minutes and applied wonderdust BID.
		Put bag balm on the dry spots of right and left hip area.
11 Dec 2006	Foot management	Soaked her left front foot in warm water for 15 minutes and applied wonderdust BID.
12 Dec 2006	Weight/Length	10,126 pounds
12 Dec 2006	Foot management	Soaked her left front foot in warm water for 15 minutes and applied wonderdust BID.
14 Dec 2006	Foot management	Soaked her left front foot in warm water for 15 minutes and applied wonderdust BID.
		During the bath routine she took a couple steps stiff legged and then was bending her leg normally.
15 Dec 2006	Foot management	Soaked her left front foot in warm water for 15 minutes and applied wonderdust BID.
16 Dec 2006	Foot management	Soaked her left front foot in warm water for 15 minutes and applied wonderdust BID.
17 Dec 2006	Foot management	Soaked her left front foot in warm water for 15 minutes and applied wonderdust BID.
18 Dec 2006	Foot management	Soaked her left front foot in warm water for 15 minutes and applied wonderdust BID.
		Keeper trimmed nail on front left foot.
19 Dec 2006	Foot management	Soaked her left front foot in warm water for 15 minutes and applied wonderdust BID.
20 Dec 2006	Medical note	8cc Blood taken for banking
20 Dec 2006	Foot management	Soaked her left front foot in warm water for 15 minutes and applied wonderdust BID.
21 Dec 2006	Foot management	Soaked her left front foot in warm water for 15 minutes and applied wonderdust BID.
22 Dec 2006	Foot management	Soaked her left front foot in warm water for 15 minutes and applied wonderdust BID.
24 Dec 2006	Foot management	Soaked her left front foot in warm water for 15 minutes and applied wonderdust BID.
25 Dec 2006	Foot management	Soaked her left front foot in warm water for 15 minutes and applied wonderdust BID.
26 Dec 2006	Foot management	Keeper trimmed on Lisa's front left foot before soaking in warm water for 15 minutes. Wonderdust applied.
		***Lisa's front left foot will be soaked in warm water for 15 minutes BID based on the recommendations of consultant Allen Roocroft until further notice***
26 Dec 2006	Foot management	Soaked her left front foot in warm water for 15 minutes and applied wonderdust BID.
27 Dec 2006	Animal management note	Collected 8 cc's of blood. This is done to monitor estrous cycles. It is also banked and is done to comply with AZA standards.
		This comment was added to the following specimens: 000028, 000029, 205003.
28 Dec 2006	Foot management	Soaked front left foot in the AM and applied wonderdust. In the PM keeper lightly scrubbed and rinsed her foot with Betadine, cleaned it, trimmed her nail, and applied wonderdust after trim.
29 Dec 2006	Foot management	Soaked her left front foot in warm water for 15 minutes and applied wonderdust BID.
30 Dec 2006	Foot management	Soaked front left foot in warm water for 15 minutes BID. Wonderdust on toe BID.
31 Dec 2006	Foot management	Soaked front left foot in warm water for 15 minutes. Put bag balm on dry spots, hip area on both sides.
1 Jan 2007	Foot management	Soaked her left front foot in warm water for 15 minutes and applied wonderdust BID.
		Keeper trimmed out nail of front left foot.
2 Jan 2007	Foot management	Soaked her left front foot in warm water for 15 minutes and applied wonderdust BID.
		Foot work done on both front feet.

3 Jan 2007	Foot management	Soaked her left front foot in warm water for 15 minutes and applied wonderdust BID.
3 Jan 2007	Medical note	8 cc's blood taken to be banked.
		This comment was added to the following specimens: 000028, 000029, 205003.
4 Jan 2007	Foot management	Soaked her left front foot in warm water for 15 minutes and applied wonderdust BID.
5 Jan 2007	Foot management	Soaked her left front foot in warm water for 15 minutes and applied wonderdust BID.
		She walked this afternoon with a stiff left rear leg.
6 Jan 2007	Foot management	Soaked her left front foot in warm water for 15 minutes and applied wonderdust BID.
		Walking normally today.
7 Jan 2007	Foot management	Soaked her left front foot in warm water for 15 minutes and applied wonderdust BID.
		Keeper trimmed out nail on front left foot, opened well without bleeding.
		Bag balm applied to dry spots on hip area on both sides.
8 Jan 2007	Foot management	Soaked her left front foot in warm water for 15 minutes and applied wonderdust BID.
9 Jan 2007	Foot management	Soaked her left front foot in warm water for 15 minutes and applied wonderdust BID.
		Keeper trimmed on nail of front left foot.
10 Jan 2007	Foot management	Soaked her left front foot in warm water for 15 minutes and applied wonderdust BID.
		Foot work done on both back feet and trimmed nails.
10 Jan 2007	Medical treatment	Blood taken for banking.
		This comment was added to the following specimens: 000028, 000029, 205003.
11 Jan 2007	Diet	Did not eat hay very well today but did eat grain and browse fine.
		This comment was added to the following specimens: 000028, 000029, 205003.
		Soaked her left front foot in warm water for 15 minutes and applied wonderdust BID.
12 Jan 2007	Foot management	Soaked her left front foot in warm water for 15 minutes and applied wonderdust BID.
13 Jan 2007	Foot management	Soaked her left front foot in warm water for 15 minutes and applied wonderdust BID.
14 Jan 2007	Foot management	Soaked her left front foot in warm water for 15 minutes and applied wonderdust BID.
15 Jan 2007	Foot management	Soaked her left front foot in warm water for 15 minutes and applied wonderdust BID.
15 Jan 2007	Foot management	Soaked her left front foot in warm water for 15 minutes and applied wonderdust BID.
16 Jan 2007	Foot management	Soaked her left front foot in warm water for 15 minutes and applied wonderdust BID.
		Vet examined the progression of nail growth and paring out of hole. There is a 1/2" X 1/4" diameter soft tissue in the middle of the hole. Scalpel blade and hemostats were used to excise some of the tissue. The tissue was very friable and easily pulled off in small pieces. It was hard to cut the tissue with the scalpel blade as a good purchase could not be obtained with the hemostats. Continue current regimen.
17 Jan 2007	Medical note	8 cc's blood taken to be banked.
		This comment was added to the following specimens: 000028, 000029, 205003.
		Soaked her left front foot in warm water for 15 minutes and applied wonderdust BID.

18 Jan 2007	Foot management	Soaked her left front foot in warm water for 15 minutes and applied wonderdust BID.  Keeper trimmed nail in the ERD.
19 Jan 2007	Foot management	Soaked her left front foot in warm water for 15 minutes and applied wonderdust BID.
20 Jan 2007	Foot management	Soaked her left front foot in warm water for 15 minutes and applied wonderdust BID.
21 Jan 2007	Foot management	Soaked her left front foot in warm water for 15 minutes and applied wonderdust BID.  Keeper trimmed on nail of front left foot.
22 Jan 2007	Foot management	Soaked her left front foot in warm water for 15 minutes and applied wonderdust BID.
23 Jan 2007	Foot management	Soaked her left front foot in warm water for 15 minutes and applied wonderdust BID.  Keeper trimmed out nail on front left foot.
24 Jan 2007	Medical note	8 cc's of blood taken, banking serum in freezer.  This comment was added to the following specimens: 000028, 000029, 205003.
25 Jan 2007	Foot management	Soaked her left front foot in warm water for 15 minutes and applied wonderdust BID.
26 Jan 2007	Foot management	Soaked her left front foot in warm water for 15 minutes and applied wonderdust BID.
27 Jan 2007	Foot management	Soaked her left front foot in warm water for 15 minutes and applied wonderdust BID.
29 Jan 2007	Foot management	Soaked her left front foot in warm water for 15 minutes and applied wonderdust BID.
30 Jan 2007	Foot management	Soaked her left front foot in warm water for 15 minutes and applied wonderdust BID.  Foot work on back right foot and front right.
2 Feb 2007	Foot management	Soaked her left front foot in warm water for 15 minutes and applied wonderdust BID.
3 Feb 2007	Foot management	Soaked her left front foot in warm water for 15 minutes and applied wonderdust BID.
4 Feb 2007	Foot management	Soaked her left front foot in warm water for 15 minutes and applied wonderdust BID.  Keeper trimmed on her nail.
5 Feb 2007	Foot management	Soaked her left front foot in warm water for 15 minutes and applied wonderdust BID.
6 Feb 2007	Foot management	Soaked her left front foot in warm water for 15 minutes and applied wonderdust BID.
7 Feb 2007	Foot management	Soaked her left front foot in warm water for 15 minutes and applied wonderdust BID.  Keeper trimmed on nail of front left foot.
8 Feb 2007	Foot management	Soaked her left front foot in warm water for 15 minutes and applied wonderdust BID.  Keeper sanded on right tusk.
9 Feb 2007	Foot management	Soaked her left front foot in warm water for 15 minutes and applied wonderdust BID.
10 Feb 2007	Foot management	Soaked her left front foot in warm water for 15 minutes and applied wonderdust BID.
11 Feb 2007	Foot management	Soaked her left front foot in warm water for 15 minutes and applied wonderdust BID.  Applied Bag Balm on dry spots of both hip areas.
12 Feb 2007	Foot management	Soaked her left front foot in warm water for 15 minutes and applied wonderdust BID.
13 Feb 2007	Foot management	Soaked her left front foot in warm water for 15 minutes and applied wonderdust BID.
14 Feb 2007	Medical note	Took 8 cc's of blood from the elephants to be banked.

This comment was added to the following specimens: 000028, 000029, 205003.

15 Feb 2007	Foot management	Soaked her left front foot in warm water for 15 minutes and applied wonderdust BID. Soaked her left front foot in warm water for 15 minutes and applied wonderdust BID.
16 Feb 2007	Foot management	Keeper trimmed on her toe nail on her left foot. Soaked her left front foot in warm water for 15 minutes and applied wonderdust BID.
17 Feb 2007	Medical note	Sand in feces.
This comment was added to the following specimens: 000028, 000029, 205003.		
18 Feb 2007	Foot management	Soaked her left front foot in warm water for 15 minutes and applied wonderdust BID.
19 Feb 2007	Foot management	Soaked her left front foot in warm water for 15 minutes and applied wonderdust BID.
20 Feb 2007	Foot management	Keeper trimmed out nail on front left foot. Soaked her left front foot in warm water for 15 minutes and applied wonderdust only in AM as hydraulic doors were not working properly.
21 Feb 2007	Foot management	Soaked her left front foot in warm water for 15 minutes and applied wonderdust BID.
22 Feb 2007	Foot management	Soaked her left front foot in warm water for 15 minutes and applied wonderdust BID.
23 Feb 2007	Foot management	Soaked her left front foot in warm water for 15 minutes and applied wonderdust BID.
24 Feb 2007	Foot management	Soaked her left front foot in warm water for 15 minutes and applied wonderdust BID.
25 Feb 2007	Foot management	Soaked her left front foot in warm water for 15 minutes and applied wonderdust BID.
26 Feb 2007	Foot management	Keeper trimmed out nail on front left foot. Soaked her left front foot in warm water for 15 minutes and applied wonderdust BID.
27 Feb 2007	Foot management	Soaked her left front foot in warm water for 15 minutes and applied wonderdust BID.
28 Feb 2007	Medical note	8 cc's blood taken for banking.
This comment was added to the following specimens: 000028, 000029, 205003.		
1 Mar 2007	Foot management	Soaked her left front foot in warm water for 15 minutes and applied wonderdust BID.
2 Mar 2007	Foot management	Soaked her left front foot in warm water for 15 minutes and applied wonderdust BID.
3 Mar 2007	Foot management	Soaked her left front foot in warm water for 15 minutes and applied wonderdust BID.
4 Mar 2007	Foot management	Soaked her left front foot in warm water for 15 minutes and applied wonderdust BID.
5 Mar 2007	Foot management	Soaked her left front foot in warm water for 15 minutes and applied wonderdust BID.
6 Mar 2007	Foot management	Keeper trimmed nail of front left foot. Soaked her left front foot in warm water for 15 minutes and applied wonderdust BID.
7 Mar 2007	Medical note	One pile of sandy feces found from over night. 8 cc's blood taken from right ear.
This comment was added to the following specimens: 000028, 000029, 205003.		
8 Mar 2007	Foot management	Soaked her left front foot in warm water for 15 minutes and applied wonderdust BID. Soaked her left front foot in warm water for 15 minutes and applied wonderdust BID.
keeper trimmed on left toe of front left foot.		

9 Mar 2007	Foot management	Soaked her left front foot in warm water for 15 minutes and applied wonderdust BID.
10 Mar 2007	Foot management	Soaked her left front foot in warm water for 15 minutes and applied wonderdust BID.
11 Mar 2007	Foot management	Soaked her left front foot in warm water for 15 minutes and applied wonderdust BID.
12 Mar 2007	Foot management	Soaked her left front foot in warm water for 15 minutes and applied wonderdust BID.
13 Mar 2007	Foot management	Soaked her left front foot in warm water for 15 minutes and applied wonderdust BID.
14 Mar 2007	Foot management	Soaked her left front foot in warm water for 15 minutes and applied wonderdust BID.
15 Mar 2007	Foot management	Soaked her left front foot in warm water for 15 minutes and applied wonderdust BID.
16 Mar 2007	Foot management	Soaked her left front foot in warm water for 15 minutes and applied wonderdust BID.
17 Mar 2007	Foot management	Soaked her left front foot in warm water for 15 minutes and applied wonderdust BID.
		Foot work on both rear feet.
18 Mar 2007	Foot management	Soaked her left front foot in warm water for 15 minutes and applied wonderdust BID.
		Keeper trimmed out nail on front left foot.
19 Mar 2007	Foot management	Soaked her left front foot in warm water for 15 minutes and applied wonderdust BID.
		Trimmed and opened up pad of front right foot.
21 Mar 2007	Medical note	8 cc's blood taken from right ear.
		This comment was added to the following specimens: 000028, 000029, 205003.
		Soaked her left front foot in warm water for 15 minutes and applied wonderdust BID.
		Keeper trimmed on front left foot and nail.
22 Mar 2007	Foot management	Soaked her left front foot in warm water for 15 minutes and applied wonderdust BID.
23 Mar 2007	Foot management	Soaked her left front foot in warm water for 15 minutes and applied wonderdust BID.
24 Mar 2007	Foot management	Soaked her left front foot in warm water for 15 minutes and applied wonderdust BID.
25 Mar 2007	Foot management	Soaked her left front foot in warm water for 15 minutes and applied wonderdust BID.
26 Mar 2007	Foot management	Soaked her left front foot in warm water for 15 minutes and applied wonderdust BID.
27 Mar 2007	Foot management	Soaked her left front foot in warm water for 15 minutes and applied wonderdust BID.
28 Mar 2007	Medical note	8 cc's blood taken to be banked.
		This comment was added to the following specimens: 000028, 000029, 205003.
		Soaked her left front foot in warm water for 15 minutes and applied wonderdust BID.
		Foot work done on front left toenails.
29 Mar 2007	Foot management	Soaked her left front foot in warm water for 15 minutes and applied wonderdust BID.
30 Mar 2007	Foot management	Soaked her left front foot in warm water for 15 minutes and applied wonderdust BID.
30 Mar 2007	Fecal check/worming	Routine fecals turned in. All negative.
		This comment was added to the following specimens: 000028, 000029, 205003.
31 Mar 2007	Foot management	Soaked her left front foot in warm water for 15 minutes and applied wonderdust BID.
1 Apr 2007	Medical treatment	Soaked her left front foot in warm water for 15 minutes and applied wonderdust BID.
2 Apr 2007	Medical note	Four piles of sandy feces form overnight.
		This comment was added to the following specimens: 000028, 000029.

Soaked her left front foot in warm water for 15 minutes and applied wonderdust BID.

3 Apr 2007 Medical note

Trimmed nail on front left foot.  
First of 3 of TB trunk washes.

This comment was added to the following specimens: 000028, 000029, 205003.

4 Apr 2007 Medical treatment

Soaked her left front foot in warm water for 15 minutes and applied wonderdust BID.  
8 cc's of blood taken from right ear.

This comment was added to the following specimens: 000028, 000029, 205003.

Soaked her left front foot in warm water for 15 minutes and applied wonderdust BID.

5 Apr 2007 Foot management

Soaked her left front foot in warm water for 15 minutes and applied wonderdust BID.

6 Apr 2007 Medical note

Trimmed nail on front left foot.  
Second of three TB trunk washes.

This comment was added to the following specimens: 000028, 000029, 205003.

7 Apr 2007 Foot management

Soaked her left front foot in warm water for 15 minutes and applied wonderdust BID.  
Soaked her left front foot in warm water for 15 minutes and applied wonderdust BID.

8 Apr 2007 Foot management

Soaked her left front foot in warm water for 15 minutes and applied wonderdust BID.

9 Apr 2007 Foot management

Soaked her left front foot in warm water for 15 minutes and applied wonderdust BID.

Keeper trimmed nail on front left foot.
